Related Procedure (If Applicable):

Purpose: To ensure that all services and supports being provided by the Community Mental Health Affiliation of Mid Michigan (CMHAMM) are identified using a Person/Family Centered Planning process and that arrangements that promote Self Determination are made available in accordance with established best practice guidelines and state and federal regulations.

Announcement: CMHAMM Procedure 2.9, related to CMHAMM Policy 2.0, has been formally approved by the CMHAMM Director of Affiliation Operations (DAO). This revised procedure was developed with input from members of the CMHAMM workgroup(s) responsible for reviewing the affiliation activities addressed in the procedure. It will be reviewed by the DAO on an annual basis (minimally) and recommended revisions will be considered by the DAO during an announced review period. If appropriate, the DAO will formally rescind the previous version of the procedure and issue a revised version, based on affiliate recommendations and/or contractual obligations between the PIHP and MDCH or the PIHP and affiliate members.

The PIHP will only consider as valid, revisions to this procedure that have been communicated via the DAO to affiliates in CMHAMM Procedure format with an accompanying bulletin (signed by the DAO).

This procedure will remain in effect until the DAO formally communicates a change in the status of this procedure.
