Issued: February 08, 2010

Subject: Behavior Treatment Plan Review Committees

Effective: February 08, 2010

CMH's Affected: CEI, Gratiot, Ionia, Manistee-Benzie, Newaygo

Related Policy (If Applicable): Affiliation Policy 2.0

Related Procedure (If Applicable):

Purpose: To guide the PIHP in establishing Behavior Treatment Plan (BTP) Committees to review and approve or disapprove any plans that propose to use restrictive or intrusive interventions with individuals who exhibit seriously aggressive, self-injurious, or other behaviors that place the individual or others at risk of physical harm.

Announcement: CMHAMM Procedure 2.7, related to CMHAMM Policy 2.0, has been revised and formally approved by the CMHAMM Director of Affiliation Operations (DAO). Changes are highlighted in red print. This procedure was developed with input from CMHAMM committees, councils, and/or workgroup(s) responsible for reviewing the affiliation activities addressed in the procedure. It will be reviewed by the DAO on an annual basis (minimally) and recommended revisions will be considered by the DAO during an announced review period. If appropriate, the DAO will formally rescind the previous version of the procedure and issue a revised version, based on affiliate recommendations and/or contractual obligations between the PIHP and MDCH or the PIHP and affiliate members.

The PIHP will only consider as valid, revisions to this procedure that have been communicated via the DAO to affiliates in CMHAMM Procedure format with an accompanying bulletin (signed by the DAO). This procedure will remain in effect until the DAO formally communicates a change in the status of this procedure.
