CMH's Affected: CEI, Gratiot, Ionia, Manistee-Benzie, Newaygo

Related Policy (If Applicable): Affiliation Policy 2.0

Related Procedure (If Applicable):

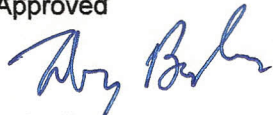

Purpose: To ensure that all consumers served by the Community Mental Health Affiliation of Mid Michigan and their providers, receive clinical services and supports that are based on best practice and developed through Person/Family Centered Planning. All clinical services and supports will be based on individual needs, medical necessity criteria, and will meet all federal and state standards and requirements.

Announcement: CMHAMM Policy 2.0 has been modified and formally approved by the CMHAMM Director of Affiliation Operations (DAO). For ease of reference, changes have been highlighted in red print in the attached document. It will be reviewed by the DAO on an annual basis (minimally) and recommended revisions will be considered by the DAO during an announced review period.

The PIHP will only consider as valid, revisions to this policy that have been communicated via the DAO to affiliates in CMHAMM Policy format with an accompanying bulletin (signed by the DAO).

This policy will remain in effect until the DAO formally communicates a change in its status.
