Gratiot~Dan Alonzi
Ionia~Julie Dowling
Manistee~Benzie~Mark Nelson
Newaygo~Mike Geoghan*

Bob Sheehan and Ken Slater came in to discuss the need for this workgroup to have a focus on HIGH RISK, HIGH VOLUME, HIGH COST supports and services. The HUB Board needs to assure there are uniform standards of care. The discussion centered on the need to develop standardized processes of utilization management, processes for local oversight and processes for HUB Board oversight.

The workgroup revised the Charge Form to be presented to the Core Group at their meeting on February 4, 2004. See attached.

The intent is to develop uniform service guidelines utilizing the Medicaid Chapter III, DCH-HUB contract language and the Mental Health Code.
